

Kids Ministry Coordinator

We are looking to employ a part-time coordinator to oversee our work with children. Could it be you?

Who are we?

On your first visit, you'll be blown away by just how extravagantly generous and welcoming the people are. The second thing you'll notice is how many children are running around laughing. Birkenhead Community Church is vibrant community church with a strong sense of family.

Our services are built around sung worship led by a band, an expository sermon from one of the preaching team and a celebration of Holy Communion. We love to eat together after the services and virtually every event the church puts on involves wonderful catering.

Our children's ministry currently consists of a Sunday school with around 25 children in attendance and irregular, but well attended, socials. The potential for growth is enormous because of the nature of our building, the local demographics, the number of committed families and the creativity amongst individuals already involved. There is such opportunity to develop different ideas, midweek gatherings, special interest groups and to explore partnerships with other churches or parachurch organisations.

Who are you?

You are someone who loves God with all your heart and you have a passion for helping children find life with God through Jesus. Great kids workers come in all shapes and sizes and no one has a perfect set of skills but if you have a great relationship with God, the children and the parents then you'll be alright!

Specifically, you probably have experience of leading in a vibrant Kidzchurch setting – and you will have to be comfortable leading our team of volunteers. You have a heart to see children come to faith from Christian and non-Christian backgrounds. You are great at communication – verbal, written and web-based communications are going to be a major part of your job.

If you have any skills in music, preaching, cooking, sports, performing arts, graphic design, languages or anything really, we would love to find a way for you to develop and express them to serve the church. We are really looking forward to you to joining us, serving with us and seeing what God has for this exciting season.

What should you do?

Get in touch with Dan, our pastor, and he'll send you the job pack. He would love to hear from you if you have any questions or want to visit. Applications will be considered as they are received.

Email dan@bcc.org.nz or phone [+64 22 687 7406](tel:+64226877406)

When you decide to apply then email your CV to Dan with a covering letter (one side of A4 to show us how you fit the profile above) and if you've got a website, a sermon online somewhere or something else you're proud of online then send us a link to that too.
